**Editorial Objectives**

The International Journal of Strategic Research in Education, Technology and Humanities (IJSRETH) aims to publish research findings in the broad fields of Education, Technology, Management, Arts and Humanities. The journal's core aim is to facilitate the researcher's scholarship to share their findings with the rest of the world so that informed decisions can be taken to improve the educational system, enhance technological development and adaptation and evolve novel ideas in arts, law and humanities. IJSRETH follows rigorous double peer review mechanism to ensure that submitted articles meet the quality standards.

**Indexing/Abstracting/Library:** The International Journal of Strategic Research in Education, Technology and Humanities (IJSRETH) and other Journal published by International Scientific Research Consortium and the International Institute for Policy Review and Development Strategies are being processed for inclusion in, Google Scholar, OCLC World Cat, United States, Bibliography of Asian Studies, ABS Academic Journal Quality Guide, PIAS International Fact Sheets/Achieves, Ulrich's Periodicals Directory (ProQuest), EBSCO Information Services, Canada, International Bibliography of the Social Sciences (IBSS), National Library of Nigeria cataloguing in publication data, Brilliant International Research Library.

**International Copyright law:** All right reserved under the International Copyright Law. This volume is published by the International Scientific Research Consortium UK, in research league with International Institute for Policy Review & Development Strategies. This journal- its cover page design and content may not be used or produced in any manner without written permission from the International Institute for Policy Review and Development Strategies.
