Editorial Objectives

The International Journal of Strategic Research in Education, Technology and Humanities (IJSRETH) aims to publish research findings in the broad fields of Education, Technology, Management, Arts and Humanities. The journal's core aim is to facilitate the researcher's scholarship to share their findings with the rest of the world so that informed decisions can be taken to improve the educational system, enhance technological development and adaptation and evolve novel ideas in arts, law and humanities. IJSRETH follows rigorous double peer review mechanism to ensure that submitted articles meet the quality standards.
