**Disclaimer:** The views and ideas expressed in articles/reviewed are those of the author(s) and not necessarily of the Editorial Board. Articles are published in good faith and the author(s) will be liable for any copyright infringements.

**Editorial objectives**

The objective of International Journal of Advanced Studies of Economics and Public Sector Management (IJASEPSM) is to publish empirical papers that provide clear analysis of important economic issues. As well as being relevant academic, professional and student economist, the journal seeks to provide a bridge between those conducting research on service economics and management to the one hand, and those working in the areas of service sector on the other.
