Editorial Objectives

The International Journal of Advanced Research in Statistics, Management and Finance (IJARSMF) is designed to serve researchers, scholars through prompt publications of significant and evident based research findings in any branch of statistics, economics, business and management sciences. The editorial objective of IJARSMF is a review of current research trends and the facilitation of knowledge enhancement, related to studies in the concerned disciplines and professional practices. Papers are reviewed by International panel of reviewers to decide on the quality, originality, and relevance for publishing the paper in the journal.
