Editorial Objectives

The International Journal of Innovative Research in Social Sciences and Strategic Management Techniques (IJIRSSSMT) provides a viable intellectual platform to promote discussions, research analyses, and pragmatic studies including critiques on topics relevant to wider disciplines of Social Sciences and Management. It disseminates such knowledge with international standard procedures. The journal publishes original papers, review papers, conceptual framework, analytical and simulation models, case studies, empirical research, technical notes, and book reviews. The articles in the journal are open access to different users in different countries around the world.

Indexing/Abstracting/Library

The journal is processed for inclusion in,
