Editorial Objectives

International Journal of Advanced Research in Public Policy, Administration and Development Strategies (IJARPPADS) is a peer-reviewed research-driven journal that provides intellectual platform for the dissemination of critical, empirical and regular papers in public administration, management and social sciences. From global to national levels, it publishes topical issues and commentaries on recent developments in public sector law, public sector policy development, comparative analysis, legal theories and emerging development strategies.

Indexing/Abstracting/Library

The journal is processed for inclusion in,
