Editorial Objectives

The Development Journal of International Affairs, Political Economy and Humanities (DJIAP EH) examines contemporary issues in the field of political economy, international affairs and humanities. The journal adopts a blind Peer Review process and it is open access to academia. In addition to research articles, the journal publishes occasional reviews that summarizes and assesses particular areas of research and contribution to debates on international affairs.

Disclaimer: The views and ideas expressed in articles/ review are those of the authors(s) and not necessarily of the Editorial Board. Articles are published in good faith and the author(s) will be liable for any copyright infringements.

Open Access Policy: This journal provides immediate open access to its content on the principle of making research freely available to the public supports for a greater global exchange of knowledge.

Publication Frequency: Biannually
