Editorial Objectives
The objective of International Journal of Innovative Research in Education, Technology and Social Strategies (IJIRETSS) is to facilitate intellectual discussions, research analysis, and pragmatic studies and critiques leading to the formulation of policies and suggestions for the improvement of the educational sector, technology and social development strategies across the world. IJIRETSS seeks to develop new theoretical and practical insights in education and technology. In addition to original research articles, the journal publishes case studies and book reviews. All manuscripts are subject to peer review for quality
