Editorial Objectives
The International Journal of Advanced Studies in Ecology, Development and Sustainability (IJASEDS) is an international, open-access journal that publishes scientific research articles, paper review and scientific manuscripts and survey based contribution following all aspects of applied scientific studies in ecological development and sustainability as well as other indicators of social and economic development. Research papers present the results of empirical and theoretical investigations, testing current theories in evolutionary ecology and development initiatives.

Indexing/Abstracting/Library
The journal is processed for inclusion in,
- Google Scholar
- PIAS International Fact Sheets/Achieves
- Ulrich's Periodicals Directory (ProQuest)
